

2010 QIP Stallions

NEW!!! Stallion Breedings can be purchased as they are donated!

Don't see your favorite stallion listed?? Please contact us and we will contact the stallion owner and work with them to get their stallion donated to the program.

Note about how the sale works:

- You need to be a current member of PQHA. You can join or renew by sending a membership form to Shelly Weaver. Her address is on the form.
- Stallions are sold on a first come, first served basis. If you get a busy signal, please keep trying.
- Stallions are only reserved by the stallion owner. When the stallion owner sends in the paperwork, they have the option of reserving the breeding for a person of their choosing. PQHA does not reserve breedings. Breeding fees MUST be included with the reservation.
- This is not an auction. The price of the breeding is the sell fee.
- Payment for the breeding must be received within ten days. Failure to do so will result in withdrawal of all privileges of membership until the obligation is fulfilled.
- If uncertain about stallion requirements, please direct those questions to the stallion owner directly. The only information available to the QIP Program is on this website.
